Third-Party Events Benefiting APL

What's a third-party fundraiser?

Oh, we're so glad you asked!

A third-party fundraiser is a fundraiser organized and hosted by a person or group outside of the organization they are raising money for. These events can be

BIG or small or anywhere in-between ... but in our eyes, any effort to raise money to save the lives of innocent animals is extravagant.

MEET APL'S FUNDRAISING FRIENDS for the month of September

Thank You, State Fair Parking Volunteers!

The Illinois State Fair only comes around once a year, but the funds raised through APL's Annual State Fair Parking Fundraiser benefit the animals receiving care at APL every single day! This year 94 dedicated animal-lovers stepped up to volunteer for state fair

parking and because of their help, we raised thousands of dollars in lifesaving funds for dogs and cats in need of a second chance at life. If you volunteered for this event or any event this year — THANK YOU!

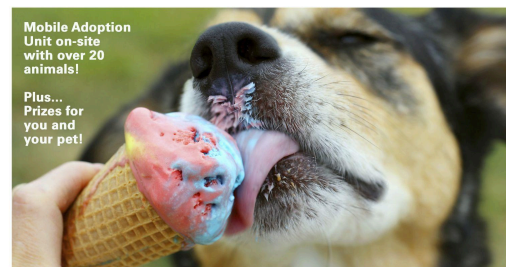

Volunteering makes a world of difference at APL and there's LOTS of ways you can help! You can help us socialize kittens or walk dogs. You can be a door greeter or help us with laundry. You can help us ensure that APL events, like State Fair Parking, run smoothly. The list goes on and on and we would love to welcome you aboard.
