

## Fundraising Friends

*Third-Party Events Benefiting APL*

---

### What's a third-party fundraiser?

*Oh, we're so glad you asked!*

A third-party fundraiser is a fundraiser organized and hosted by a person or group outside of the organization they are raising money for. These events can be

**BIG or small or anywhere in-between ... but in our eyes, any effort to raise money to save the lives of innocent animals is extravagant.**

## Did you know you can find APL's MAU at Petco each month?

The first Saturday of most months, (check our event calendar for regular updates) you can find APL's Mobile Adoption Unit (MAU) at Petco located at 2721 Veterans Pkwy in Springfield!

The MAU is a large vehicle with plenty of space to take cats and dogs out in the community. We want our adoptable animals to be seen by as many potential adopters as possible to increase their chances at finding a loving home with a responsible owner who will give them the life they deserve. Petco isn't the only place you can find our MAU each month. You can often find us at plenty of local events throughout the year. But, no need to be on the hunt for us, because all events and MAU outings / adoption events can be found on our event calendar at [www.apl-shelter.org/events](http://www.apl-shelter.org/events). You could very well meet your new furry best friend on our MAU, so we hope to see you there soon! Volunteers help us to find homes for innocent, homeless animals every day! **Interested in learning how you can become a volunteer and make a difference at APL? Visit [www.apl-shelter.org/volunteer](http://www.apl-shelter.org/volunteer) to learn more and get started today!**
